Memorandum for Record

SUBJECT: Validation of Attendance for Professional Development Hours

This memorandum provides the formal documentation of attendance and professional development hours earned for the presentation on **24 September 2009** titled *Tele-Engineering and Automated Route Reconnaissance*. See attachment for a list of attendees.

I monitored the sign-in sheets to ensure that attendees were present for this presentation for which they are seeking professional development hours. By my signature I am confirming the attendees listed in the attached attendance sheets were present for the aforementioned presentation.

Tele-Engineering and Automated Route Reconnaissance

1200 on 24 September 2009

1.0 professional development hour

This session presented information on an Army developed a Tele-Engineering and Automated Route Reconnaissance system which was recently used doing a two week reconnaissance mission on Attu Island. One of the missions included assessing roads and bridges for upgraded trafficability. The presentation will discuss the challenges and lessons learned in conducting engineer reconnaissance in remote locations

Presenter: Lt Aaron Anderson and Sgt Dandy Prak of USARAK's 6th Engineer Battalion
Name, Registration (if any), organization
